

FlexPackPRO[®]

TABLETOP TTO SYSTEM

USER-FRIENDLY

- A turnkey solution for printing variable information *directly* onto pre-formed bags, pouches and card stock.
- Easily create date codes, barcodes, text and graphics with ProCode™ Professional design software (included).
- Store templates on the touchscreen controller, and load easily from the drop-down menu.
- Use adjustable guides and integrated foot pedal to set and print quickly.

VERSATILE

PRINT:	Logos, Expiration Dates, Lot Codes, Barcodes (including GS1), Prices, Ingredients, Nutrition Facts, Warnings & More
ON:	Virtually any Pouch or Bag (Flat, Stand Up, Gusseted, Zipper, Spouted, Special Shapes, Clear, White, Foils)
FOR:	Any Application (Snack Foods, Frozen Foods, Fresh Foods, Dried Foods, Powdered Foods, Dairy, Farm, Medical, Pharmaceutical & More)

NO MORE LABELS - PRINT DIRECTLY ON BAGS & POUCHES

DEPENDABLE

BACKED BY THE INDUSTRY'S BEST WARRANTY

With the lowest rate of service events and downtime among all leading TTO brands, FlexPackPRO[®] offers an unmatched 18-month term of protection against defects in material and workmanship.
